"Majestic Ranges stand the test And Cook and Bake and are the best."

## Keep Abreast of the Times

IN OLDEN DAYS, when buying a cook stove, people would buy the one they could get the cheapest; that's because there were only a few makes on the market and were all practically the same in construction and material.

It's Different Now! There are close to a thousand different ranges on the market today—good, bad and indifferent. Wise people use a little foresight in selecting their range, and they make no mistake in selecting THE RANGE WITH A REPUTATION—the range that is recommended by every user; the range that has stood the test—

## The Great Majestic Range

the range that is made of MALLEABLE and CHARCOAL IRON—the range that SAVES FUEL—LASTS LONGER—COSTS PRACTICALLY NOTHING FOR REPAIRS—HEATS MORE WATER QUICKER AND HOTTER, AND GIVES BETTER GENERAL SATISFACTION THAN ANY OTHER RANGE MADE—

and we can prove it!

The Majestic talks for itself. Ask the users.

"Ranges come and ranges go, But with you stays the one you know"—THE MAJESTIC.

for the best standard goods, produced by some of the largest manufacturers of the world. In our line of heaters you will find the Round Oak, King Bee and Radiant Home—the best heaters in the world.

The Majestic Range and the Quick Meal are excelled by none.

The Sealy Mattress makes the best bed—like a pillow for the body.

The Hoosier Kitchen Cabinet "saves miles of steps for tired feet."

The Celebrated Standard Rotary Sewing Machine, "the world's lightest and best."
